2011-2017

WASHINGTON COUNTY PUBLIC SCHOOLS

Principal, Emma K Doub Elementary School

- Transformed teaching practices and established the first 1:1 elementary school in the state of Maryland.
- Decreased referral rates between the 2012 and 2015 school years by approximately 95%.
- Increased writing scores by 12 percentage points annually.
- Increased reading scores by 3-5 percentage points

HIGHLIGHTS

- Hosted Spring 2018 League of Innovative Schools visit to Charlotte
- Served as the Maryland Instructional Technology Advisory Committee (MITAC) Leadership Team Leader (2016-2017), facilitating the development of the Maryland Digital Learning Framework.
- Led implementation of the first 1:1 elementary school in the state of Maryland and hosted over 100 site visits.
- Co-chaired the WCPS Standards Based Report Card Committee, which resulted in a systemic shift to standards based reporting for grades K-5.
- Co-chaired the Digital Learning Committee (2014-2015), developing an implementation plan for systemic personalized learning.
- Conceptualized and hosted a state-wide Virtual Site Visit focused on Blended Learning in May 2015.
- Co-chair Common Ground, a multi-organizational professional development experience for over 1,250 educators annually.
- Facilitated iLearn Maryland on iTunes U growing the number of course contributors to over 100, monthly visits in excess of 200, and international downloads exceeding 40%.
- Published MSET *Innovates and Educates* from 2013-2017, a monthly digital newsletter sent to over 1,000 subscribers.
- Chaired CEASOM Board meetings (2014-2015) and facilitated MSET Executive Board Meetings, business meetings, retreats, and state-wide events including national keynote speakers, Makerspace events, and numerous workshops (2013-2017).
- Facilitated creation and monitoring of a multi-year Strategic Plan and held Chairpersons and Committee Members accountable to efforts towards meeting measurable goals. Worked at the school, district, and professional organization level to develop operational budgets that reflect the primary goals of each.
- Highlighted in NSPRA Principal Communicator 2007
- Published in Learning and Leading and Output, Blog On 2005
- Interviewed on the BBC and featured in the New York Times 2005
